

CURRICULUM VITAE

Michelle H. Cameron, M.D., P.T., M.C.R.

EDUCATION

| | |
|--|--------------|
| Oregon Health & Science University – Masters in Clinical Research | 3/10 – 4/14 |
| Oregon Health & Science University - Certificate in Human Investigations | 9/08 – 9/09 |
| Oregon Health & Science University – Fellowship in Multiple Sclerosis | 9/08 – 3/10 |
| Oregon Health & Science University – Residency in Neurology | 7/05 – 7/08 |
| Kaiser Permanente Oakland Medical Center – Internship in Internal Medicine | 7/03 – 7/04 |
| University of California San Francisco – Medicine, MD | 8/99 – 6/03 |
| University of California San Francisco - Physical Therapy, BS | 6/88 – 10/89 |
| Sheffield University - BS with Honors in Experimental Psychology | 9/80 – 7/83 |

HONORS and AWARDS

| | |
|--|-------------|
| Oregon Health & Science University, Technology Transfer & Business Development Award | 2016 |
| Consortium of Multiple Sclerosis Centers - Labe C. Scheinberg Award, for outstanding work in neurorehabilitation in multiple sclerosis | 2013 |
| Department of Veterans Affairs, Career Development Award-2 | 2010 |
| Multiple Sclerosis International Federation – Jacqueline Du Pré Award | 2009 |
| National Multiple Sclerosis Society Sylvia Lawry Physician Fellowship | 2008 – 2010 |
| Resident Teaching Award- Oregon Health & Science University | 2008 |
| Elected to Alpha Omega Alpha - University of California, San Francisco | 2002 |
| UCSF Student Research Committee Summer Fellowship | 2000 |
| Board Certified Clinical Specialist in Orthopaedic Physical Therapy | 1995, 2005 |
| California Chapter American Physical Therapy Association Clinician Research Award | 1990 |

RESEARCH

| | |
|--|----------------|
| Mobility in multiple sclerosis | 2006 – present |
| Electrical stimulation for patients with neurological conditions | 2015 – present |
| Cognition-based interventions for people with mild cognitive impairment A Cochrane Collaboration systematic review proposal | 2004 |
| Respite care for dementia – A Cochrane Collaboration systematic review | 2003 |
| TENS and dementia – A Cochrane Collaboration systematic review and meta-analysis | 2003 |
| BRCA1 and BRCA2: Who should you test? A decision analysis | 1999 – 2002 |
| PACRIM – Diabetic Wound Management – A telemedicine project | 1999 |
| Ultrasound for Wound Management | 1998 |
| Electrical Conductivity of Wound Care Dressings | 1997 |
| Ultrasound Transmission by Phonophoresis Media | 1991 |
| Eating Disorders in Horse Racing Jockeys | 1988 |
| Premenstrual Syndrome Incidence and Reporting | 1982 – 1983 |

CURRENT POSITIONS

| | |
|---|----------------|
| Associate Professor, Department of Neurology, Oregon Health & Science University | 2016 – present |
| Staff Neurologist, Portland VA Medical Center | 2010 – present |
| Co-director and Research Associate director, VA Multiple Sclerosis Center of Excellence-West | 2017 – present |
| Course Instructor on Physical Agent Modalities and Fall Prevention | 1991 – present |
| Owner of Health Potentials – A health education and consulting company | 1992 – present |

| | |
|--|----------------|
| Founding Program Director – International Symposium on Gait and Balance in MS | 2010 – present |
| Founding Program Director – Clinical Cannabis for the Health Care Professional | 2018 – present |

PREVIOUS EMPLOYMENT

| | |
|---|--------------|
| Assistant Professor, Department of Neurology, Oregon Health & Science University | 2010 – 2016 |
| Associate Director, VA Multiple Sclerosis Center of Excellence-West | 2015 – 2017 |
| MS Fellowship Director, Portland VA Medical Center, MS Center of Excellence – West | 2015 – 2017 |
| Multiple Sclerosis Fellow and Instructor Department of Neurology, Oregon Health & Science University | 2008 – 2010 |
| Neurology Resident – Oregon Health & Science University | 2005 – 2008 |
| Internal Medicine Intern – Kaiser Permanente, Oakland | 2003 – 2004 |
| Clinical Instructor on physical agents, Research Advisor Samuel Merritt College, Physical Therapy and Occupational Therapy Programs | 1991 – 2004 |
| Lecturer on differential diagnosis and, physical agents California State University, Fresno, Masters Program in Physical Therapy | 2001 – 2006 |
| Physical therapy site manager - Alta Bates, Sutter Ambulatory Care Established physical therapy services at an off-site occupational medicine facility | 3/97 – 5/98 |
| Physical Therapist - Mount Eden Physical Therapy Center Outpatient physical therapy | 5/91 – 10/95 |
| Staff Physical Therapist - John Muir Medical Center Acute inpatient and outpatient orthopedic therapy | 11/89 – 5/91 |
| Research Assistant and Physical Therapy Aide - Ortho-East Physical Therapy | 8/87 – 5/88 |
| Physical Therapy Aide - Oakland Physical Therapy | 6/86 – 2/87 |

ELECTED AND APPOINTED POSITIONS

| | |
|--|----------------|
| Paralyzed Veterans of America Education Foundation grant reviewer | 2018 |
| American Academy of Neurology, Dissemination panel member, topic expert Comprehensive systematic review: Rehabilitation in multiple sclerosis | 2015 |
| Current Neurology and Neuroscience Reports, Section editor - demyelinating disorders | 2014 – present |
| National MS Society Institutional Clinical Training Award reviewer | 2014 |
| International MS Falls Prevention Research Network founding member | 2014 – present |
| VA MS Center of Excellence Newsletter, Editor-in-chief | 2013 – present |
| National MS Society Fellowship Review Committee | 2012 – present |
| State of Illinois Lottery MS Research Grant Review Committee | 2012 – 2015 |
| MS and Related Diseases abstract reviewer, American Academy of Neurology Annual Meeting | 2011 |
| International Journal of MS Care reviewer | 2010 – present |
| International Journal of Neuroscience reviewer | 2010 – present |
| Journal of Neurologic Physical Therapy reviewer | 2010 – present |
| Faculty of 1000 Medicine reviewer | 2009 – present |
| Archives of Physical Medicine and Rehabilitation reviewer | 2009 – present |
| Journal of Hand Therapy editorial board member | 2006 – present |
| Physiotherapy reviewer | 2005 – present |
| Journal of Hand Therapy reviewer | 1999 – 2015 |
| Advance for Providers of Post-Acute Rehabilitation editorial board member | 1999 – 2006 |
| California American Physical Therapy Association (APTA) Awards committee member | 1997 – 2000 |
| California APTA Research SIG director | 1991 – 1997 |
| APTA Golden Gate District Newsletter Editor | 1992 – 1993 |
| Bay Area Ergonomics Study Group Chairperson | 1991 |
| APTA Golden Gate District representative | 1991 – 1999 |
| Golden Gate District student representative | 1988 – 1989 |

MEMBERSHIPS

| | |
|---|----------------|
| American Academy of Neurology | 2005 – present |
| International MS Fall Prevention Research Network | 2014 – present |
| American Medical Association | 1999 – 2004 |
| American Physical Therapy Association | 1988 – 2007 |
| Society for General Internal Medicine | 2000 – 2004 |
| Society for Physical Regulation in Biology and Medicine | 1995 – 2004 |
| Bay Area Ergonomics Study Group | 1989 – 1994 |

GRANTING AGENCY REVIEW WORK

| | |
|--|-------------|
| MS Society of Canada | 2018 |
| Grant review committee member, MS Clinical and Population Health Pilot and Operating Grants | |
| Department of Defense, Defense Medical Research and Development Program | 2017 |
| Scientific Review, Neuromusculoskeletal Injuries Rehabilitation Research – Clinical Trial Awards | |
| National MS Society (US): | |
| Grant review committee member, National Fellowship Grants (3 year appointment, renewed) | 2012 – 2018 |
| VA Rehabilitation Research & Development Service | 2016 – 2017 |
| Small Projects in Rehabilitation reviewer | |
| Department of Defense, Congressionally Directed Medical Research Programs | 2016 |
| Preapplication screening, Multiple Sclerosis Research Program, Exploration-Hypothesis Development Awards | |
| Department of Defense, Congressionally Directed Medical Research Programs | 2015 |
| Programmatic review, Multiple Sclerosis Research Program, Investigator-Initiated Research Awards and Pilot Clinical Trial Awards | |
| MS Research Australia | 2016 |
| Peer Reviewer, research grants | |
| American Academy of Neurology | |
| Reviewer, Guideline dissemination of systematic review: Rehabilitation in MS | 2015 |
| National MS Society (US): | |
| Reviewer, Institutional Clinician Training Award | 2013 |
| Reviewer, Illinois lottery, MS repair and rehabilitation Pilot Grants | 2012 – 2015 |
| Reviewer, Junior Fellowship Grants on falls management in people with MS | 2011 |
| Multiple Sclerosis Society (UK): | |
| Reviewer, National grant on exercise in MS | 2012 |
| Drug Effectiveness Review Project: | |
| Reviewer | 2013 |
| Selph S, Thakurta S, McDonagh M. Drug Class Review: Disease-modifying Drugs | |

for Multiple Sclerosis. Final Update 2 Report. Prepared by the Pacific Northwest Evidence-based Practice Center for the Drug Effectiveness Review Project. Oregon Health & Science University. Portland, OR. 2013.

Editorial and Ad Hoc Review Activities:

Current Neurology and Neuroscience Reports, Demyelinating disorders section editor 2014 – present
Journal of Hand Therapy editorial board member 2006 – present
Advance for Providers of Post-Acute Rehabilitation editorial board member 1999 – 2006
 American Physical Therapy Association *Golden Gate District Newsletter* editor 1992 – 1993
Ad Hoc reviewer for the following journals: *Multiple Sclerosis Journal, International Journal of MS Care, Neurodegenerative Disease Management, Journal of Neuroscience and Rehabilitation, Drugs – Real World Outcomes, Healthy Aging and Clinical Care in the Elderly, Journal of Neurology, Journal of the Neurological Sciences, Expert Review of Neurotherapeutics, Journal of Rehabilitation Research and Development, European Journal of Neurology, Gait and Posture, Clinical Neurophysiology, Physical Therapy, Archives of Physical Medicine and Rehabilitation, Physiotherapy, Journal of Hand Therapy, Neurodegenerative Disease Management, International Journal of MS Care, Experimental Brain Research, Disability and Rehabilitation, Neurorehabilitation and Neural Repair, Journal of Clinical Outcomes Management, Neuromodulation: Technology at the Neural Interface; International Journal of Neuroscience, Faculty of 1000 Medicine.*

Committees:

International/National

Founding conference chair – Gait and Balance in Multiple Sclerosis conference committee 2010 – present
 Founding member – International MS Fall Prevention Research Network 2014 – present
 Panel member – National MS Society wellness initiative 2014

CONFERENCES ATTENDED

Clinical Cannabis for the Health Care Provider 2018
 American Academy of Neurology annual meeting 2007 – 2018
 Consortium of Multiple Sclerosis Centers annual meeting 2009 – 2018
 Paralyzed Veterans of America Annual Summit 2012 – 2018
 European Committee for Treatment and Research in MS annual meeting 2016, 2018
 International Symposium on Gait and Balance in Multiple Sclerosis 2011 – 2018
 Relational Leadership Institute training 2017
 American College of Rehabilitation Medicine annual meeting 2014
 Clinical Neuroscience on the Oregon Coast 2011, 2012
 Americas Committee on Treatment and Research in Multiple Sclerosis annual meeting 2009 – 2014
 National Center for Rehabilitative Auditory Research Biennial Conference 2011
 Brazilian Physical Therapy Association 5th International Congress 2010
 Multiple Sclerosis Mentorship Program 2006 – 2009
 National Multiple Sclerosis Society Tykeson Fellows Conference 2008
 American Physical Therapy Association Combined Sections Meetings 1990 – '98, '01, '05, '06, '10
 Colombian Physical Therapy Association National Meeting 2005
 Costa Rican Physical Therapy Association National Meeting 2005
 Coinmul Peru (International Multi-Disciplinary Congress) 2004
 UK Contributors to the Cochrane Collaboration 2003
 Society for General Internal Medicine National Meeting 2001
 Occupational Therapy Association California Meeting 2001
 Society for Physical Regulation in Biology and Medicine Meeting 1995, '98
 American Physical Therapy Association National Meetings 1989 – '93, '96, '97, 2010
 California Physical Therapy Association Meetings 1989 – '97, 2002, 2012
 World Congress of Physical Therapy 1991

POSTERS, ABSTRACTS and PRESENTATIONS

- Medical cannabis November 2018
Cameron MH
 Panel discussion, Greater Portland Inc., Portland, OR
- Cannabinoids in multiple sclerosis November 2018
Cameron MH
 Presentation for the Society of Clinical Research Associates, Portland, OR
- Comparing “gold standard” prospective daily self-report fall calendars with October 2018
 a real-time body-worn self-report device in multiple sclerosis
 Hildebrand A, Jacobs P, Folsom J, Leitschuh J, Mosquera-Lopez C, Oganessian S, Wan E, **Cameron M**
 Poster at European Committee for Treatment and Research in Multiple Sclerosis, Berlin, Germany
- Physical agents in rehabilitation October 2018
Cameron MH
 Presentation for Physical Medicine and Rehabilitation Department, Tartu University, Tartu, Estonia
- Updates in MS rehabilitation October 2018
Cameron MH
 Presentation for Physical Medicine and Rehabilitation Department, Tartu University, Tartu, Estonia
- Hot topics in MS – Cannabinoids and Gut Microbiome September 2018
Cameron MH, Sand IK
 Webinar for people with MS through Can Do MS
- Clinical cannabis and pain management
Cameron M, Jones KD
 Presentation for North West Pain Center, VA Portland Health Care Service August 2018
 Presentation for Legacy Emmanuel Hospital, Portland, OR November 2018
- MS Gait and Balance Symposium 2017 Summary August 2018
Cameron MH, Widener G
 Presentation at Paralyzed Veterans of America Summit, Dallas, TX
- Clinical cannabis for MS symptoms – Show me the evidence June 2018
Cameron M
 Patient presentation, At the Frontier and Beyond, Portland, OR
- Clinical cannabis interprofessional education: Program development and provider knowledge May 2018
Cameron M, Jones K
 Platform at Consortium for MS Centers annual meeting, Nashville, TN

Panel member, Veterans Affairs Multiple Sclerosis Centers of Excellence Satellite Broadcast
Salt Lake City, UT

Falls among adults aging with disabilities March 2016
Cameron M, Molton I, J Kingston
Webinar for National Council on Aging, National Falls Prevention Resource Center, Center for Healthy Aging

A multicenter randomized controlled trial of two group programs on fatigue February 2016
and self-efficacy in MS
Hugos CL, Chen Z, Chen Y, **Cameron M**, Turner A, Haselkorn J, Bever C, Chiara T, McCoy S, Bourdette D.
Poster at Americas Committee for Treatment and Research in Multiple Sclerosis, New Orleans, LA

Medication use evaluation of dimethyl fumarate at a multiple sclerosis clinic December 2015
Vu K, Chun L, Manning J, **Cameron M**, Hill J.
Poster at American Society of Health Systems Pharmacists, New Orleans, LA

The International MS Falls Prevention Network: Directions and Decisions. November 2015
Peterson E, Finlayson M, **Cameron M**, Cattaneo D, Coote S, Matsuda P, Sosnoff J.
Presentation at The Gerontological Society of America's 68th Annual Scientific Meeting,
as part of the symposium Customizing Interventions for Special Populations and Implementation:
Challenges to Fall Prevention, Orlando, FL

How assistive devices are associated with falls in people with MS: September 2015
Conceptual models
Wang M, **Cameron MH**
Poster at International Symposium on Gait and Balance in Multiple Sclerosis, Portland, OR
Published in International Journal of MS Care: November/December 2015;17(6):301-302.

Rehabilitation in Progressive MS September 2015
Cameron MH, Chiara T
Platform at Paralyzed Veterans of America Annual Summit, Jacksonville, FL

MS Symptom Management June 2015
Cameron MH
OHSU On the Frontier, Portland, OR

The international MS falls prevention research network: development and directions June 2015
Finlayson M, Cattaneo D, **Cameron M**, Coote S, Freeman J, Gunn H,
Jonsdottir J, Matsuda P, Peterson E, Sosnoff J
Poster at Rehabilitation in MS annual meeting, Milan, Italy
Poster at OT Summit of Scholars, Los Angeles, CA
Presentation at Consortium of MS Centers annual meeting, Indianapolis, IN
Abstract in Multiple Sclerosis Journal. 2015;21(4): 520.

MS Gait and Balance Symposium 2014 Summary May 2015
Cameron MH, Zacksowski K
Presentation at Consortium for MS Centers annual meeting, Indianapolis, IN

Practical Management of Progressive MS: Management of Physical Impairment May 2015
Cameron MH

Presentation at Consortium for MS Centers annual meeting, Indianapolis, IN

Bladder Dysfunction is a Risk Factor for Falls in People
with Relapsing-Remitting Multiple Sclerosis. May 2015
Zelaya JE, Murchison C, **Cameron M.**
Poster at OHSU Research Week, Portland, Oregon.
Winner of Student Poster Award at OHSU Research Week 2015

The International MS Falls Prevention Research Network: development and direction.
Finlayson M, Cattaneo D, **Cameron M**, Coote S, Freeman J, Gunn H, Jonsdottir J,
Matsuda P, Peterson E, Sosnoff J.
RIMS conference abstract, Milan April 2015
and published in Multiple Sclerosis Journal. 2015;21(4): 520.

Symptom Management in MS: Depression and Cognitive Dysfunction April 2015
Cameron MH
Presentation at American Academy of Neurology annual meeting, Washington, DC

Longitudinal evaluation of falls and fall prevention strategies in multiple sclerosis April 2015
Cameron MH, Finlayson M, Asano M, Peterson E
Poster at American Academy of Neurology annual meeting, Washington, DC

Falls in individuals with multiple sclerosis: predictors, consequences and prevention October 2014
Cameron M, Peterson E, Sosnoff J, Finlayson M
Platform presentation at American College of Rehabilitation Medicine annual meeting, Dallas, TX

Putting it all together: The role of cognition in gait and balance in MS October 2014
Cameron M, Wagner J, Zackowski K
Presentation at the 4th International Symposium on Gait and Balance in Multiple Sclerosis

Effects of a very low fat, plant-food-based diet on fatigue in multiple sclerosis: September 2014
report of a pilot trial
Yadav V, Lovera J, Murchison C, Kim E, Overs S, **Cameron M**, Spain R
Poster at Joint ACTRIMS-ECTRIMS annual meeting

Botulinum toxin in MS August 2014
Cameron MH, Howard I
Platform at Paralyzed Veterans of America Summit meeting

Reduced structural connectivity of proprioceptive neural pathways in Multiple Sclerosis
Fling BW, **Cameron MH**, Horak FB
Poster at International Society for Posture and Gait Research World Congress July 2014
Poster at 4th International Symposium on Gait and Balance in Multiple Sclerosis October 2014

Rate of falls among people with multiple sclerosis and healthy controls: May 2014
A comparative study
Cameron MH, Mazumder R, Murchison C
Poster at Consortium of Multiple Sclerosis Centers
