

CURRICULUM VITAE

Michelle H. Cameron, M.D., P.T., M.C.R.

EDUCATION

Oregon Health & Science University – Masters in Clinical Research	3/10 – 4/14
Oregon Health & Science University - Certificate in Human Investigations	9/08 – 9/09
Oregon Health & Science University – Fellowship in Multiple Sclerosis	9/08 – 3/10
Oregon Health & Science University – Residency in Neurology	7/05 – 7/08
Kaiser Permanente Oakland Medical Center – Internship in Internal Medicine	7/03 – 7/04
University of California San Francisco – Medicine, MD	8/99 – 6/03
University of California San Francisco - Physical Therapy, BS	6/88 – 10/89
Sheffield University - BS with Honors in Experimental Psychology	9/80 – 7/83

HONORS and AWARDS

National MS Society Outstanding Healthcare Professional Award	2020
Oregon Health & Science University, Technology Transfer & Business Development Award	2016
Consortium of Multiple Sclerosis Centers - Labe C. Scheinberg Award, for outstanding work in neurorehabilitation in multiple sclerosis	2013
Department of Veterans Affairs, Career Development Award-2	2010
Multiple Sclerosis International Federation – Jacqueline Du Pré Award	2009
National Multiple Sclerosis Society Sylvia Lawry Physician Fellowship	2008 – 2010
Resident Teaching Award- Oregon Health & Science University	2008
Elected to Alpha Omega Alpha - University of California, San Francisco	2002
UCSF Student Research Committee Summer Fellowship	2000
Board Certified Clinical Specialist in Orthopaedic Physical Therapy	1995, 2005
California Chapter American Physical Therapy Association Clinician Research Award	1990

RESEARCH

Mobility in multiple sclerosis	2006 – present
Cannabinoids in multiple sclerosis	2017 – present
Electrical stimulation for patients with neurological conditions	2015 – present
Cognition-based interventions for people with mild cognitive impairment A Cochrane Collaboration systematic review proposal	2004
Respite care for dementia – A Cochrane Collaboration systematic review	2003
TENS and dementia – A Cochrane Collaboration systematic review and meta-analysis	2003
BRCA1 and BRCA2: Who should you test? A decision analysis	1999 – 2002
PACRIM – Diabetic Wound Management – A telemedicine project	1999
Ultrasound for Wound Management	1998
Electrical Conductivity of Wound Care Dressings	1997
Ultrasound Transmission by Phonophoresis Media	1991
Eating Disorders in Horse Racing Jockeys	1988
Premenstrual Syndrome Incidence and Reporting	1982 – 1983

CURRENT POSITIONS

Interim Chief of Neurology, Portland VA Medical Center	2020 – present
Professor, Department of Neurology, Oregon Health & Science University	2021 – present
Staff Neurologist, Portland VA Medical Center	2010 – present
Co-director, VA Multiple Sclerosis Center of Excellence-West	2017 – present
Course Instructor on Physical Agent Modalities and Fall Prevention	1991 – present

Owner of Health Potentials – A health education and consulting company	1992 – present
Founding Conference Chair – International Symposium on Gait and Balance in MS	2010 – present
Founding Conference Chair – Clinical Cannabis for the Health Care Professional	2018 – present

PREVIOUS EMPLOYMENT

Associate Professor, Department of Neurology, Oregon Health & Science University	2016 – 2021
Associate director for Research, VA Multiple Sclerosis Center of Excellence-West	2017 – 2021
Assistant Professor, Department of Neurology, Oregon Health & Science University	2010 – 2016
Associate Director, VA Multiple Sclerosis Center of Excellence-West	2015 – 2017
MS Fellowship Director, Portland VA Medical Center, MS Center of Excellence – West	2015 – 2017
Multiple Sclerosis Fellow and Instructor Department of Neurology, Oregon Health & Science University	2008 – 2010
Neurology Resident – Oregon Health & Science University	2005 – 2008
Internal Medicine Intern – Kaiser Permanente, Oakland	2003 – 2004
Clinical Instructor on physical agents, Research Advisor Samuel Merritt College, Physical Therapy and Occupational Therapy Programs	1991 – 2004
Lecturer on differential diagnosis and, physical agents California State University, Fresno, Masters Program in Physical Therapy	2001 – 2006
Physical therapy site manager - Alta Bates, Sutter Ambulatory Care	3/97 – 5/98
Established physical therapy services at an off-site occupational medicine facility	
Physical Therapist - Mount Eden Physical Therapy Center	5/91 – 10/95
Outpatient physical therapy	
Staff Physical Therapist - John Muir Medical Center	11/89 – 5/91
Acute inpatient and outpatient orthopedic therapy	
Research Assistant and Physical Therapy Aide - Ortho-East Physical Therapy	8/87 – 5/88
Physical Therapy Aide - Oakland Physical Therapy	6/86 – 2/87

ELECTED AND APPOINTED POSITIONS

Systematically Testing the Evidence of Marijuana (STEM), Technical expert panel member VA Office of Rural Health funded project	2020 - present
Can Do MS, program consultant	2017 - present
American Academy of Neurology (AAN), Dissemination panel member, topic expert	2015
Comprehensive systematic review: Rehabilitation in multiple sclerosis	
Current Neurology and Neuroscience Reports, Section editor - demyelinating disorders	2014 – present
International MS Falls Prevention Research Network founding member	2014 – present
VA MS Center of Excellence Newsletter, Editor-in-chief	2013 – present
National MS Society Fellowship Review Committee	2012 – present
State of Illinois Lottery MS Research Grant Review Committee	2012 – 2015
MS and Related Diseases abstract reviewer, AAN Annual Meeting	2011
International Journal of MS Care reviewer	2010 – present
International Journal of Neuroscience reviewer	2010 – present
Journal of Neurologic Physical Therapy reviewer	2010 – present
Faculty of 1000 Medicine reviewer	2009 – present
Archives of Physical Medicine and Rehabilitation reviewer	2009 – present
Journal of Hand Therapy editorial board member	2006 – present
Physiotherapy reviewer	2005 – present
Journal of Hand Therapy reviewer	1999 – 2015
Advance for Providers of Post-Acute Rehabilitation editorial board member	1999 – 2006
California American Physical Therapy Association (APTA) Awards committee member	1997 – 2000
California APTA Research SIG director	1991 – 1997
APTA Golden Gate District Newsletter Editor	1992 – 1993

Bay Area Ergonomics Study Group Chairperson	1991
APTA Golden Gate District representative	1991 – 1999
Golden Gate District student representative	1988 – 1989

MEMBERSHIPS

American Academy of Neurology	2005 – present
International MS Fall Prevention Research Network	2014 – present
American Medical Association	1999 – 2004
American Physical Therapy Association	1988 – 2007
Society for General Internal Medicine	2000 – 2004
Society for Physical Regulation in Biology and Medicine	1995 – 2004
Bay Area Ergonomics Study Group	1989 – 1994

GRANTING AGENCY REVIEW WORK

National Institutes of Health (NIH), National Institute of Neurological Disorders and Stroke Research grant reviewer for Exploratory Clinical Trials	2022
---	------

National Institutes of Health (NIH), Eunice Kennedy Shriver National Institute of Child Health and Human Development Research grant reviewer for R01 “Home and Community Based Physical Activity Interventions to Improve the Health of Wheelchair Users”	2022
--	------

Paralyzed Veterans of America Education Foundation Educational grants reviewer	2021
--	------

MS Research Australia Research grant reviewer, Incubator Grant Funding	2020
--	------

National Institutes of Health (NIH) Office of Disease Prevention, Eunice Kennedy Shriver National Institute of Child Health and Human Development, and the National Institute of Neurological Disorders and Stroke Content area expert, “Can Physical Activity Improve Health of Wheelchair Users?”	2019
---	------

VA Rehabilitation Research & Development Service Small Projects in Rehabilitation reviewer	2016, 2017, 2019
--	------------------

Paralyzed Veterans of America Research Foundation Research grants reviewer	2018
--	------

MS Society of Canada Grant review committee member, MS Clinical and Population Health Pilot and Operating Grants	2018
--	------

Department of Defense, Defense Medical Research and Development Program Scientific Review, Neuromusculoskeletal Injuries Rehabilitation Research – Clinical Trial Awards	2017
--	------

National MS Society (US): Grant review committee member, National Fellowship Grants (3 year appointment, renewed)	2012 – 2018
Institutional Clinical Training Award reviewer	2014

Department of Defense, Congressionally Directed Medical Research Programs 2016
Preapplication screening, Multiple Sclerosis Research Program, Exploration-Hypothesis Development Awards

Department of Defense, Congressionally Directed Medical Research Programs 2015
Programmatic review, Multiple Sclerosis Research Program, Investigator-Initiated Research Awards and Pilot Clinical Trial Awards

MS Research Australia 2016
Peer Reviewer, research grants

American Academy of Neurology
Reviewer, Guideline dissemination of systematic review: Rehabilitation in MS 2015

National MS Society (US):
Reviewer, Institutional Clinician Training Award 2013
Reviewer, Illinois lottery, MS repair and rehabilitation Pilot Grants 2012 – 2015
Reviewer, Junior Fellowship Grants on falls management in people with MS 2011

Multiple Sclerosis Society (UK):
Reviewer, National grant on exercise in MS 2012

Drug Effectiveness Review Project:
Reviewer 2013
Selph S, Thakurta S, McDonagh M. Drug Class Review: Disease-modifying Drugs for Multiple Sclerosis. Final Update 2 Report. Prepared by the Pacific Northwest Evidence-based Practice Center for the Drug Effectiveness Review Project. Oregon Health & Science University. Portland, OR. 2013.

JOURNAL EDITORIAL AND AD HOC REVIEW ACTIVITIES

Current Neurology and Neuroscience Reports, Demyelinating disorders section editor 2014 – present

Journal of Hand Therapy editorial board member 2006 – present

Advance for Providers of Post-Acute Rehabilitation editorial board member 1999 – 2006

American Physical Therapy Association *Golden Gate District Newsletter* editor 1992 – 1993

Ad Hoc reviewer for the following journals: *Multiple Sclerosis Journal, International Journal of MS Care, European Journal of Neurology, Journal of Medical Internet Research, Multiple Sclerosis Journal: Experimental, translational and clinical, CNS drugs, Medicina, Journal of Alternative and Complementary Medicine, Neurodegenerative Disease Management, Journal of Neuroscience and Rehabilitation, Drugs – Real World Outcomes, Healthy Aging and Clinical Care in the Elderly, Journal of Neurology, Journal of the Neurological Sciences, Expert Review of Neurotherapeutics, Journal of Rehabilitation Research and Development, European Journal of Neurology, Gait and Posture, Clinical Neurophysiology, Physical Therapy, Archives of Physical Medicine and Rehabilitation, Physiotherapy, Journal of Hand Therapy, Neurodegenerative Disease Management, Experimental Brain Research, Disability and Rehabilitation, Neurorehabilitation and Neural Repair, Journal of Clinical Outcomes Management, Neuromodulation: Technology at the Neural Interface; International Journal of Neuroscience, Faculty of 1000 Medicine.*

COMMITTEE SERVICE

Founding conference chair – Clinical Cannabis for the Health Care Professional 2018 – present

Founding conference chair – Gait and Balance in Multiple Sclerosis conference committee 2010 – present

Founding member – International MS Fall Prevention Research Network 2014 – present

Panel member – National MS Society wellness initiative 2014

CONFERENCES ATTENDED

American Academy of Neurology annual meeting	2007 – 2022
Consortium of Multiple Sclerosis Centers annual meeting	2009 – 2022
Clinical Cannabis for the Health Care Provider	2018 - 2019
Paralyzed Veterans of America Annual Summit	2012 – 2018
European Committee for Treatment and Research in MS annual meeting	2016, 2018
International Symposium on Gait and Balance in Multiple Sclerosis	2011 – 2019
Relational Leadership Institute training	2017
American College of Rehabilitation Medicine annual meeting	2014
Clinical Neuroscience on the Oregon Coast	2011, 2012
Americas Committee on Treatment and Research in Multiple Sclerosis annual meeting	2009 – 2014
National Center for Rehabilitative Auditory Research Biennial Conference	2011
Brazilian Physical Therapy Association 5 th International Congress	2010
Multiple Sclerosis Mentorship Program	2006 – 2009
National Multiple Sclerosis Society Tykeson Fellows Conference	2008
American Physical Therapy Association Combined Sections Meetings	1990 – 98, 01, 05, 06, 10
Colombian Physical Therapy Association National Meeting	2005
Costa Rican Physical Therapy Association National Meeting	2005
Coinmul Peru (International Multi-Disciplinary Congress)	2004
UK Contributors to the Cochrane Collaboration	2003
Society for General Internal Medicine National Meeting	2001
Occupational Therapy Association California Meeting	2001
Society for Physical Regulation in Biology and Medicine Meeting	1995, 1998
American Physical Therapy Association National Meetings	1989 – 93, 96, 97, 2010
California Physical Therapy Association Meetings	1989 – 97, 2002, 2012
World Congress of Physical Therapy	1991

POSTERS, ABSTRACTS and PRESENTATIONS

Electrical stimulation for facial paralysis Invited presentation La Salle University, Oaxaca, Mexico	November 2022
Electrical stimulation for critically ill patients Invited presentation and workshop Oaxaca Physical Therapy Association, Oaxaca, Mexico	November 2022
Managing spasticity in MS Ask an MS Expert – National MS Society video patient presentation RealTalkMS webinar patient presentation	October 2022
The multidisciplinary MS care team Cameron M, Mitchell L, Lee-Wilk T, Hugos C Invited presentation, Consortium of MS Centers Annual Meeting, Washington, DC	June 2022
Cannabis and cannabinoids: Clinical considerations Cameron M, Jones KD Grand rounds, Hillsboro Medical Center, Hillsboro, OR Samaritan Health Services, Corvallis, OR	April 2022 November 2022

Treatment improvements in depressive symptoms are associated with sustained improvements in fatigue impact in adults with multiple sclerosis Knowles LM, Hugos CL, Cameron MH , Haselkorn JK, Bourdette DN, Turner AT Poster at Annual Rehabilitation Psychology Conference, Louisville, KY.	February 2022
Medical marijuana for MS symptom management Webinar with CME for MS Center of Excellence and National MS Society	December 2021
Risky movement: Data-driven fall-risk assessments for targeted care in people with MS Kushner T, Mosquera-Lopez C, Cameron M , Jacobs P Platform, Oregon Bioengineering Symposium, Portland, OR.	November 2021
Spasticity experience in adults with multiple sclerosis: An integrated conceptual model Wagner J, Cameron M , Bethoux F, Field-Fote E, Lenderking W, Zaiser E, Cutts K, Steinerman J Presented platform at Consortium of MS Centers annual meeting, Orlando, FL	October 2021
Adapting One-on-One Rehabilitation Research to Prevent Falls in People with MS to the Virtual Environment: A COVID-19 Silver Lining Cameron M , Hildebrand A, Serdar A, Schlinggen K, Scanlan K, Hugos C ePoster at International Symposium on Gait and Balance in MS, Denver, CO	September 2021
Adapting Group Rehabilitation Research to Prevent Falls in People with MS to the Virtual Environment: A COVID-19 Silver Lining Hugos C, Norton J, Silverman S, Joos S, Hildebrand A, Cameron M ePoster at International Symposium on Gait and Balance in MS, Denver, CO	September 2021
Research in the VA environment – Career Development Awards & mentoring Manago M, Cameron M , Silbermann E, Spain R Multiple Sclerosis Center of Excellence West Regional Meeting, virtual	June 2021
Ask an MS expert: Managing MS relapses National Multiple Sclerosis Society webinar	June 2021
Pain in ambulatory people with multiple sclerosis Hugos C, Sajeev N, Joos S, Norton J, Cameron M ePoster at American Academy of Neurology annual meeting, Virtual Conference	April 2021
Neurological risks and benefits of cannabis use: A cross-sectional analysis of health care professionals' knowledge Rice J, Hildebrand A, Waslo C, Cameron M , Jones KD ePoster at American Academy of Neurology annual meeting, Virtual Conference	April 2021
Impact of a Multiple Sclerosis fatigue self-management program 5-6 years later Norton J, Joos S, Cameron M , Hugos C. ePoster at ACTRIMS Forum 2021, Virtual Conference ePoster at American Academy of Neurology annual meeting, Virtual Conference	February 2021 April 2021
One in Five (20%) People with Multiple Sclerosis Use Prescription Opioids Hugos C, Joos S, Sajeev N, Norton J, Samiee S, Cameron M ePoster at ACTRIMS Forum 2021, Virtual Conference ePoster at American Academy of Neurology annual meeting, Virtual Conference	February 2021 April 2021

Pain Locations, Prevalence, Severity and Interference in Ambulatory People with Multiple Sclerosis and Self-Reported Spasticity. Hugos C, Joos S, Sajeev N, Norton J, Cameron M ePoster at ACTRIMS Forum 2021, Virtual Conference	February 2021
What is Usual Care for People with Multiple Sclerosis Who Have Fallen? Cameron M , Hildebrand A ePoster at ACTRIMS Forum 2021, Virtual Conference	February 2021
Very long-term impact of two group education programs on fatigue in people with Multiple Sclerosis: 5-6 years later. Norton J, Joos S, Cameron M , Hugos C ePoster at Virtual 2021 Rehabilitation Psychology Conference	February 2021
Factors associated with exercise participation in people with multiple sclerosis Wooliscroft L, Waslo C, Clark G, Senders A, Silbermann E, Rice J, Yadav V, Spain R, Cameron M ePoster at American Neurological Association 2020 Annual Meeting, Virtual Conference.	October 2020
Moderators of improvements in fatigue impact following a self-management intervention in multiple sclerosis: A secondary analysis of a randomized controlled trial. Knowles LM, Hugos CL, Cameron MH , Haselkorn JK, Bourdette DN, Turner AT ePoster at the Joint ACTRIMS-ECTRIMS Meeting, Online due to COVID-19.	September 2020
Pain in ambulatory people with multiple sclerosis and self-reported spasticity Sajeev N, Joos S, Cameron M , Norton J, Hugos C ePoster at the Joint ACTRIMS-ECTRIMS Meeting, Online due to COVID-19.	September 2020
Phase 3 Study Results Assessing the Efficacy and Safety of ADS-5102 (Amantadine) Extended Release Capsules in MS Patients with Walking Impairment Cohen J, Cameron M , Goldman M, Goodman A, Miller A, Rollins A, Johnson R, Llorens L, Patni R, Elfont R ePoster at the Joint ACTRIMS-ECTRIMS Meeting, Online due to COVID-19.	September 2020
Controversies in electrical stimulation for facial paralysis Cameron M , Loyo M Online presentation for Forum Fisioterapia in Mexico, over 3700 views and 63 shares	May 2020
The relationship between balance confidence and social satisfaction and participation in people with multiple sclerosis Judd G, Hildebrand A, Cameron M Poster at OHSU Neurology research day	May 2020
Demographic and health related factors associated with use of exercise and mind-body therapies in people with multiple sclerosis. Clark G, Wooliscroft L, Waslo C, Senders A, Silbermann E, Orban A, Rice J, Yadav V, Spain R, Cameron M . Poster at American Academy of Neurology Annual Meeting, Toronto, Canada Poster at OHSU Neurology research day	April 2020 May 2020
Cannabis and cannabinoids for MS symptoms: State of the evidence	March 2020

Cameron M

ANA Investigates Podcast, American Neurological Associations
564 downloads, third most popular of all ANA podcasts

Managing gait and balance in MS

March 2020

Cameron M

Invited CME webinar for National MS Society/VA

Stem cell transplant for multiple sclerosis: Hitting the reset button on the immune system

October 2019

Cameron M, Schachter L

Grand rounds, OHSU departments of neurology and hematology/oncology

A cross-sectional survey of cannabis use by people with MS in Oregon and Washington, states where cannabis is legal for medical and recreational use.
Rice J, Hildebrand A, Spain R, Senders A, Silbermann E, Wooliscroft L, Yadav V, **Cameron M**.

September 2019

Poster at European Committee for Treatment and Research in Multiple Sclerosis annual meeting, Stockholm, Sweden

Phase I trial for remyelination in multiple sclerosis: a study of thyroid hormone with visual outcomes. Wooliscroft, L, Altowajri G, Hildebrand A, Samuels M, Oken B, Bourdette D, **Cameron M**.

August 2019

Poster at International Society for Neurochemistry satellite meeting on myelin biology, Saint-Paulin, Quebec

Pain management and multiple sclerosis:

July 2019

Musculoskeletal pain and the role of cannabinoids for pain management in MS

Cameron M

Invited webinar for National MS Society staff

Electrical stimulation for critically ill patients

June 2019

Cameron M

Invited lecture and workshop, Forum Fisioterapia, Puebla, Mexico

Evaluation of a spasticity management program for people with MS: Full-scale study protocol

June 2019

Hugos CL, Cameron MH

Poster at Rehabilitation in Multiple Sclerosis meeting, Ljubljana, Slovenia

Cannabis use in people with multiple sclerosis and spasticity: A cross-sectional analysis

Hugos CL, Rice J, Cameron MH

Poster at American Academy of Neurology annual meeting, Philadelphia, PA

May 2019

Platform at Rehabilitation in Multiple Sclerosis meeting, Ljubljana, Slovenia

June 2019

Comparing gastrointestinal tolerability and absorption of racemic and R-lipoic acid in Progressive Multiple Sclerosis: A Randomized Cross-over Trial

May 2019

Taylor CA, **Cameron MH**, Lapidus J, Spain RI

Poster at Consortium of MS Centers annual meeting, Seattle, WA

Poster at Oregon Health & Science University, Research Week, Portland, OR

INROADS: A phase 3 study to assess the efficacy and safety of ADS-5102 (Amantadine)

May 2019

Extended Release Capsules in Multiple Sclerosis (MS) Patients with Walking Impairment
Cameron MH, Cohen JA, Miller AE, Goodman AD, Goldman MD, Elfont R, Souza-Prien CJ
Felt L, Patni R
Poster at American Academy of Neurology annual meeting, Philadelphia, PA
Platform at Consortium of MS Centers annual meeting, Seattle, WA

Cannabis use symptom relief in multiple sclerosis:
A Cross-Sectional Survey of Can Do MS Webinar Attendees
Hildebrand A, Minnier J, **Cameron M**
Poster at OHSU-PSU School of Public Health Annual Conference April 2019
Poster at Oregon Health & Science University, Research Week, Portland, OR May 2019

DRhQ, a novel therapy for progressive MS - field-based roadmap meeting April 2019
Cameron M
Program developer, co-chair and presenter
DRhQ field-based roadmap meeting
VA Biomedical Laboratory Research & Development, Portland, OR

Spasticity in MS: The patient experience March 2019
Cameron MH
Invited presentation at GW Pharmaceuticals, Kent, England

Feasibility of neuromuscular electrical stimulation in critically ill neuroscience intensive care March 2019
unit patients
Rickles E, Hinson H, Durrant J, Randall J, **Cameron M**
Poster at Research Day, Oregon Health & Science University, Portland, OR

The role of exercise for people with MS March 2019
Cameron MH
Invited presentation for Can Do MS, Oakland, CA

Feasibility study for clinical trial of electrical stimulation in idiopathic facial paralysis February 2019
with poor prognosis
Loyo M, **Cameron MH**, Martinez-Creel I
Poster at American Society for Peripheral Nerve, Palm Desert, CA

Trends in electric stimulation for facial paralysis: Electronic survey of physical therapists February 2019
in Oregon and rapid review of the evidence
Munn A, **Cameron MH**, Loyo M
Poster at American Society for Peripheral Nerve, Palm Desert, CA

Falls and fall prevention in MS January 2019
Cameron MH
Presentation for Portland VA MS support group

Electrotherapy in critically ill patients December 2018
Cameron MH
Invited presentation for El Colegio Queretano de Fisioterapia, Queretaro, Mexico

Medical cannabis November 2018
Cameron MH

Invited panel discussant, Greater Portland Inc., Portland, OR	
Cannabinoids in multiple sclerosis Cameron MH	November 2018
Invited presentation for the Society of Clinical Research Associates, Portland, OR	
Comparing “gold standard” prospective daily self-report fall calendars with a real-time body-worn self-report device in multiple sclerosis Hildebrand A, Jacobs P, Folsom J, Leitschuh J, Mosquera-Lopez C, Oganessian S, Wan E, Cameron M	October 2018
Poster at European Committee for Treatment and Research in Multiple Sclerosis, Berlin, Germany	
Physical agents in rehabilitation Cameron MH	
Invited 1½-day Presentation for Physical Medicine & Rehabilitation Department, Tartu University, Tartu, Estonia	October 2018
Invited ½ day presentation for Physical Therapy Department, University of Queretaro, Mexico	December 2018
Updates in MS rehabilitation Cameron MH	October 2018
Invited ½ day presentation for Physical Medicine and Rehabilitation Department, Tartu University, Tartu, Estonia	
Clinical cannabis for the health care provider: Best practices 2018 Cameron MH	September 2018 & March 2018
Program developer, co-chair and presenter Portland, OR	
Hot topics in MS – Cannabinoids and Gut Microbiome Cameron MH, Sand IK	September 2018
Webinar for people with MS through Can Do MS	
Clinical cannabis and pain management Cameron M, Jones KD	
Invited presentation for North West Pain Center, VA Portland Health Care Service	August 2018
Invited presentation for Legacy Emmanuel Hospital, Portland, OR	November 2018
MS Gait and Balance Symposium 2017 Summary Cameron MH, Widener G	August 2018
Presentation at Paralyzed Veterans of America Summit, Dallas, TX	
Clinical cannabis for MS symptoms – Show me the evidence Cameron M	June 2018
Patient presentation, At the Frontier and Beyond, Portland, OR	
Clinical cannabis interprofessional education: Program development and provider knowledge Cameron M, Jones K	May 2018
Platform at Consortium for MS Centers annual meeting, Nashville, TN	
MS Gait and Balance Symposium 2017 Summary Cameron MH, Zacksowski K, Eveland-DeWan K	May 2018
Presentation at Consortium for MS Centers annual meeting, Indianapolis, IN	

Symptom Management in MS: Management of Ambulatory Dysfunction in MS Cameron MH Invited presentation at American Academy of Neurology annual meeting, Los Angeles, CA	April 2018
Evaluation of a spasticity management program for people with multiple sclerosis: Full-scale study protocol Hugos C, Cameron M Poster at American Academy of Neurology annual meeting, Los Angeles, CA Poster at Consortium for MS Centers annual meeting, Nashville, TN	April 2018 May 2018
Are “gold standard” prospective daily self-report fall calendars accurate? A comparison with a real-time body-worn self-report device in multiple sclerosis Chowdhury N, Hildebrand A, Folsom J, Jacobs P, Cameron M Poster at American Academy of Neurology annual meeting, Los Angeles, CA Neurology;90(S15):P4.40. Poster at Progressive MS Alliance Scientific Congress, Toronto, ON	April 2018 May 2018
Designing and testing a research tool to measure use of assistive walking devices in the home Weidman D, Cabrera JC, Cameron MH Poster at Research ShowCASE + Intersections, Case Western University, Cleveland, OH	April 2018
Need for more structured multiple sclerosis care and better defined quality measures Cameron M Invited panelist at Cleveland Clinic Neurological Institute Summit: MS Treatment Strategies, Cleveland, OH	March 2018
The ups and downs of fall prevention Cameron M , Nolan S Webinar for people with MS through Can Do MS	March 2018
Evaluation of web-based fall prevention program among people with multiple sclerosis Kannan M, Hildebrand A, Hugos C, Cameron M Poster at Americas Committee for Treatment and Research in Multiple Sclerosis (ACTRIMS), San Diego, CA	February 2018
The relationship between physiological and perceived fall risk in people with MS: Implications for assessment and management Gunn H, Cameron M , Hoang P, Lord S, Shaw S, Freeman J Presentation at Rehabilitation in MS (RIMS), Overpelt, Belgium	November 2017
A randomized controlled pilot trial of a group spasticity management program versus usual care in people with multiple sclerosis Hugos CL, Bourdette D, Chen Y, Chen Z, Cameron M Poster at European Committee for Treatment and Research in Multiple Sclerosis, Paris, France	October 2017
Randomized Controlled Trial of two group programs in multiple sclerosis: 12-month (Long-term) follow-up effects on fatigue and self-efficacy Hugos CL, Chen Y, Chen Z, Cameron M , Bourdette D Poster at European Committee for Treatment and Research in Multiple Sclerosis, Paris, France	October 2017
Evaluation of a web-based fall prevention program among people with multiple sclerosis Kannan M, Hugos CL, Hildebrand A, Wick K, Cameron M	October 2017

Poster at European Committee for Treatment and Research in Multiple Sclerosis, Paris, France	
Development of a web-based fall prevention program for people with multiple sclerosis Kannan M, Hildebrand A, Wick K, Hugos CL, Cameron M	September 2017
Poster at 7th International Symposium on Gait and Balance in Multiple Sclerosis, Portland, OR	
Electrical stimulation for medically ill patients Cameron MH	September 2017
Invited keynote speaker – Cuauhtemoc National Physiotherapy Conference, Queretaro, Mexico	
Pharmacologic management of fatigue in MS Cameron MH	June 2017
Invited presentation at European Committee for Treatment and Research in Multiple Sclerosis summer school, Santiago de Compostela, Spain	
Structural and functional connectivity underlying assistive device training-related mobility improvements in people with MS Fling B, Martini D, Zeeboer E, Hildebrand A, Cameron M	June 2017
Platform presentation at International Society of Posture and Gait Research, World Congress, Fort Lauderdale, FL	
MS Gait and Balance Symposium 2016 Summary Cameron MH , Zacksowski K, Widener G	May 2017
Invited presentation at Consortium for MS Centers annual meeting, Indianapolis, IN	
Multicenter validation study of the EvergreenHealth Myometric Strength Test for Lower Extremities ((EMST-LE) in Multiple Sclerosis Brown T, Cameron M , Simnad V	May 2017
Poster at Consortium for Multiple Sclerosis Centers annual meeting, New Orleans, LA	
Effects of Methylphenidate on Mobility, Cognition and Fatigue in Multiple Sclerosis: A Pilot Randomized Controlled Trial Cameron MH , McMillan G	April 2017
Poster at American Academy of Neurology annual meeting, Boston, MA	
Ambulation Assistive Device Training Prevents Falls, Increases Device Satisfaction and May Decrease Sitting and Increase Walking in MS: A Randomized-Controlled Pilot Study Hildebrand A, Martini D, Fling B, Cameron M	April 2017
Platform presentation at American Academy of Neurology annual meeting, Boston, MA	
Symptom Management in MS: Management of Ambulatory Dysfunction in MS Cameron MH	April 2017
Invited presentation at American Academy of Neurology annual meeting, Boston, MA	
Effects of a group spasticity management program versus usual care in people with multiple sclerosis: A randomized controlled pilot trial Hugos C, Bourdette D, Chen Z, Chen Y, Cameron M	February 2017
Poster at Americas Committee for Treatment and Research in Multiple Sclerosis, Orland, FL	April 2017
Poster at American Academy of Neurology annual meeting, Boston, MA	

Randomized controlled trial of two group programs in MS:
 Long-term (12-month) follow-up effects on fatigue and self-efficacy
 Hugos C, Chen Z, Chen Y, **Cameron M**, Bourdette D
 Poster at Americas Committee for Treatment and Research in Multiple Sclerosis, Orland, FL February 2017
 Poster at American Academy of Neurology annual meeting, Boston, MA April 2017

A multicenter randomized controlled trial of two group programs in multiple sclerosis:
 Effects on fatigue and self-efficacy September 2016
 Hugos C, Chen Z, Chen Y, **Cameron M**, Wick K, Turner A, Haselkorn J, Sloan A,
 Chiara T, Mc Coy S, Bever C, Kunce A, Bourdette D
 Poster at European Committee for Treatment and Research in Multiple Sclerosis, London, England

Effects of Methylphenidate on mobility, cognition and fatigue in MS: A pilot study September 2016
 Hildebrand A, McMillan G, **Cameron MH**
 Hugos C, **Cameron M**, Chen Z, Chen Y, Bourdette D
 Poster at 6th International Symposium on Gait and Balance in Multiple Sclerosis, Portland, OR

Effects of a group spasticity management program versus usual care
 in people with multiple sclerosis: A randomized controlled pilot trial
 Poster at 6th International Symposium on Gait and Balance in Multiple Sclerosis, Portland, OR

Assistive device training results in improved functional mobility and
 reduced thalamo-cortical connectivity in people with MS May 2016
 Fling B, Martini D, Hildebrand A, Zeeboer E, **Cameron M**
 Platform at Consortium of Multiple Sclerosis Centers Annual Meeting, Washington, DC

MS Gait and Balance Symposium 2015 Summary May 2016
Cameron MH, Zacksowski K, Widener G
 Invited presentation at Consortium for MS Centers annual meeting, Washington, DC

Symptom Management in MS: Management of Ambulatory Dysfunction in MS April 2016
Cameron MH
 Invited presentation at American Academy of Neurology annual meeting, Vancouver, BC, Canada

Longitudinal evaluation of injurious falls and fall prevention strategy use April 2016
 among people with MS
 Peterson E, Asano M, Finlayson M, **Cameron M**
 Platform presentation at American Occupational Therapy Association annual meeting, Chicago, IL

Multiple sclerosis disease modifying therapies March 2016
 Panel member, Veterans Affairs Multiple Sclerosis Centers of Excellence Satellite Broadcast
 Salt Lake City, UT

Falls among adults aging with disabilities March 2016
Cameron M, Molton I, J Kingston
 Webinar for National Council on Aging, National Falls Prevention Resource Center,
 Center for Healthy Aging

A multicenter randomized controlled trail of two group programs on fatigue
 and self-efficacy in MS February 2016
 Hugos CL, Chen Z, Chen Y, **Cameron M**, Turner A, Haselkorn J, Bever C, Chiara T, McCoy S, Bourdette D.

Poster at Americas Committee for Treatment and Research in Multiple Sclerosis, New Orleans, LA

Medication use evaluation of dimethyl fumarate at a multiple sclerosis clinic December 2015
 Vu K, Chun L, Manning J, **Cameron M**, Hill J.

Poster at American Society of Health Systems Pharmacists, New Orleans, LA

The International MS Falls Prevention Network: Directions and Decisions. November 2015
 Peterson E, Finlayson M, **Cameron M**, Cattaneo D, Coote S, Matsuda P, Sosnoff J.
 Presentation at The Gerontological Society of America's 68th Annual Scientific Meeting,
 as part of the symposium Customizing Interventions for Special Populations and Implementation:
 Challenges to Fall Prevention, Orlando, FL

How assistive devices are associated with falls in people with MS: September 2015
 Conceptual models
 Wang M, **Cameron MH**

Poster at International Symposium on Gait and Balance in Multiple Sclerosis, Portland, OR
 Published in International Journal of MS Care: November/December 2015;17(6):301-302.

Rehabilitation in progressive MS September 2015
Cameron MH, Chiara T
 Platform at Paralyzed Veterans of America Annual Summit, Jacksonville, FL

MS Symptom Management June 2015
Cameron MH
 Presentation at OHSU On the Frontier, Portland, OR

The international MS falls prevention research network: development and directions
 Finlayson M, Cattaneo D, **Cameron M**, Coote S, Freeman J, Gunn H,
 Jonsdottir J, Matsuda P, Peterson E, Sosnoff J
 Poster at Rehabilitation in MS annual meeting, Milan, Italy April 2015
 Poster at OT Summit of Scholars, Los Angeles, CA June 2015
 Presentation at Consortium of MS Centers annual meeting, Indianapolis, IN
 Abstract in Multiple Sclerosis Journal. 2015;21(4): 520.

MS Gait and Balance Symposium 2014 Summary May 2015
Cameron MH, Zacksowski K
 Invited presentation at Consortium for MS Centers annual meeting, Indianapolis, IN

Practical management of progressive MS: Management of physical impairment May 2015
Cameron MH
 Presentation at Consortium for MS Centers annual meeting, Indianapolis, IN

Bladder dysfunction is a risk factor for falls in people with relapsing-remitting MS May 2015
 Zelaya JE, Murchison C, **Cameron M**.
 Poster at OHSU Research Week, Portland, Oregon.
 Winner of Student Poster Award at OHSU Research Week 2015

Symptom management in MS: Depression and cognitive dysfunction April 2015
Cameron MH
 Invited presentation at American Academy of Neurology annual meeting, Washington, DC

<p>Longitudinal evaluation of falls and fall prevention strategies in multiple sclerosis Cameron MH, Finlayson M, Asano M, Peterson E Poster at American Academy of Neurology annual meeting, Washington, DC</p>	<p>April 2015</p>
<p>Falls in individuals with multiple sclerosis: predictors, consequences and prevention Cameron M, Peterson E, Sosnoff J, Finlayson M Platform presentation at American College of Rehabilitation Medicine annual meeting, Dallas, TX</p>	<p>October 2014</p>
<p>Putting it all together: The role of cognition in gait and balance in MS Cameron M, Wagner J, Zackowski K Presentation at the 4th International Symposium on Gait and Balance in Multiple Sclerosis</p>	<p>October 2014</p>
<p>Effects of a very low fat, plant-food-based diet on fatigue in multiple sclerosis: report of a pilot trial Yadav V, Lovera J, Murchison C, Kim E, Overs S, Cameron M, Spain R Poster at Joint ACTRIMS-ECTRIMS annual meeting</p>	<p>September 2014</p>
<p>Botulinum toxin in MS Cameron MH, Howard I Platform at Paralyzed Veterans of America Summit meeting</p>	<p>August 2014</p>
<p>Reduced structural connectivity of proprioceptive neural pathways in Multiple Sclerosis Fling BW, Cameron MH, Horak FB Poster at International Society for Posture and Gait Research World Congress Poster at 4th International Symposium on Gait and Balance in Multiple Sclerosis</p>	<p>July 2014 October 2014</p>
<p>Rate of falls among people with multiple sclerosis and healthy controls: A comparative study Cameron MH, Mazumder R, Murchison C Poster at Consortium of Multiple Sclerosis Centers</p>	<p>May 2014</p>
<p>Validating an electronic method for prospective fall counting in people with MS Downs AS, Murchison C, Cameron MH Poster at American Academy of Neurology annual meeting</p>	<p>April 2014</p>
<p>Prospective assessment of falls among people with multiple sclerosis and healthy matched controls Mazumder R, Murchison C, Cameron MH Poster at American Academy of Neurology annual meeting</p>	<p>April 2014</p>
<p>Inertial sensors to detect effects of dalfampridine on balance in people with multiple sclerosis Dutta GG, Mancini M, Spain RI, Horak FB, Cameron MH Poster at 3rd International Symposium on Gait and Balance in MS</p>	<p>October 2013</p>
<p>Falls in people with multiple sclerosis: An international perspective. Gunn H, Nilsagard Y, Cameron M, Hoang P, Mazumder R, Freeman J, Lord S Platform at European Committee for Treatment and Research in MS Annual Meeting</p>	<p>October 2013</p>
<p>Neuropsychological, balance and gait risk factors for falls in people with multiple sclerosis: a prospective cohort study Hoang PD, Cameron MH, Gandevia SC, Lord SR</p>	<p>June 2013</p>

International Society for Posture and Gait Research World Congress
Akita, Japan

The FES-I predicts falls and ABC scores in people with multiple sclerosis
Mazumder R, **Cameron M**
Poster at Consortium of Multiple Sclerosis Centers May 2013

More Medications, More Falls: A Prospective Cohort Study
Vingara L, **Cameron M**
Poster at Consortium of Multiple Sclerosis Centers May 2013

Prior falls predict future falls in people with multiple sclerosis: Keep it simple
Cameron M, Bourdette D
Poster at American Academy of Neurology annual meeting March 2013

Falls in people with MS: A transatlantic perspective
Cameron M, Nilsagard Y
Poster at 2nd International Symposium on Gait and Balance in MS October 2012
Abstract in International Journal of MS Care Winter 2012
Poster at American Academy of Neurology annual meeting March 2013

Validation of the Falls Efficacy Scale-International (FES-I) as a predictor of falls in
people with multiple sclerosis
Mazumder R, **Cameron M**
Poster at American Academy of Neurology annual meeting March 2013

Fatigue in multiple sclerosis: Related to fear of falling and prior falls
but not to future falls
Mazumder R, **Cameron M**
Platform at American Federation for Medical Research, Western Regional Meeting
Abstract in Journal of Investigative Medicine; 61(1). January 2013

Concurrent validity of the Falls Efficacy Scale-International in people with MS
Mazumder R, **Cameron M**
Poster at 2nd International Symposium on Gait and Balance in MS October 2012
Abstract in International Journal of MS Care Winter 2012

Multiple Sclerosis – A Rehabilitation Perspective
Cameron M
Presentation at Care Fair, Portland, OR November 2012

Drugs to improve balance and gait in MS
Cameron M
Second International Symposium on Gait and Balance in Multiple Sclerosis October 2012

Fatigue, Mechanisms Underlying Imbalance and Falls in Multiple Sclerosis
Ionita R, **Cameron MH**, Boudreau E, McMillan GP
Poster at American Academy of Sleep Medicine annual meeting June 2012

Multiple Sclerosis Symptom Management
Cameron M May 2012

Multiple Sclerosis Society of Portland

- Ampyra Improves Walking and Community participation in Veterans with MS
Fitzpatrick M, Overs S, Dryden J, Whitham R, **Cameron M**
Poster at Consortium of MS Centers annual meeting
May 2012
- The Effects of Dalfampridine on Walking Speed, Endurance and
Community Participation in a Veteran Population: A Retrospective Cohort Study
Overs S, Fitzpatrick M, Dryden J, Whitham R, **Cameron M**
Poster at American Academy of Neurology annual meeting
April 2012
- Imbalance and Falls in Multiple Sclerosis
Cameron M
Invited presentation at Oregon Physical Therapy Association annual meeting, Portland, OR
March 2012
- 2012 Update on MS Medications
Cameron M
Presentation, OHSU On the Horizon, Roseburg, OR
March 2012
- Balance Deficits Associated with Multiple Sclerosis
The Effects of AFO's on Balance
Cameron M
Invited presentation at American Academy of Orthotists and Prosthetists, Chicago, IL
October 2011
- Self-administered Measures of Balance
Cameron M
Invited presentation at First International Symposium on Gait and Balance in Multiple Sclerosis
Portland, OR
October 2011
- Falls and Imbalance in Multiple Sclerosis Update
Cameron M
Invited Speaker, Grand Rounds, Department of Physical Medicine and Rehabilitation, University of Washington
May 2011
- Fatigue is Associated with Poor Sleep in People with Multiple Sclerosis.
Cameron MH, Peterson VL, Lovera J, Boudreau K, Kim E, McMillan G,
Turner A, Haselkorn J, Bourdette D:
Poster at American Academy of Neurology Annual Meeting
April 2011
Poster at Paralyzed Veterans of America, 2011 Summit, Orlando, FL
September 2011
- Poor Sleep Quality is Associated with Reduced Participation in People with Multiple Sclerosis.
Peterson VL, **Cameron MH**, Lovera J, Boudreau K, Kim E, McMillan G, Turner A,
Haselkorn J, Bourdette D:
Poster at American Academy of Sleep Medicine annual meeting
June 2011
- Mobility in Multiple Sclerosis.
Cameron M
OHSU MS Center program, Multiple Sclerosis at the Frontier and Beyond
April 2011
- Multiple Sclerosis: Bridging the Gap.
Cameron M
Presented in multiple communities in Oregon and Alaska
November 2010 –

	March, 2011
Falls and Imbalance in Multiple Sclerosis: Cameron M Invited Speaker, 5 th International Physical Therapy Congress, Fortaleza, Brazil	September 2010
Mobility and Gait in MS: VA MS Centers of Excellence, National Teleconference Cameron M	May 2010
MS Management Update. VA National Satellite TV Broadcast Cameron M	May 2010
Falls in People with Multiple Sclerosis: Frequent and Correlated with Balance Confidence and Disease Severity. Cameron M Poster at American Academy of Neurology Annual Meeting	April 2010
Injurious Falls are Common in Veterans with Multiple Sclerosis: A Case Control Study Cameron M Poster at American Physical Therapy Association Combined Sections Meeting	February 2010
Moving with MS: Doing More with Less. Cameron M Portland and Seattle VA provider presentations	Jan & Feb 2010
Physical Therapy for People with Multiple Sclerosis Cameron M Multiple Sclerosis Society of Portland	June 2009
Imbalance and Falls in Multiple Sclerosis, Cameron M Invited presentation, Consortium of Multiple Sclerosis Centers annual meeting	May 2009
Mobility for People with Early and Transitional MS Cameron M VA National Satellite TV Broadcast	May 2009
Imbalance in MS. Cameron M Presentation for MS Workshop: Bridges of Support in MS. Portland VA Medical Center	April 2009
The Role of Physical Therapy in Multiple Sclerosis. McMinville MS support group	January 2009
Cost-Effectiveness of Genetic Testing for BRCA1 and BRCA2 Mutations Ozanne EM, Cipriano L, Cameron M , Newman T, Esserman LJ. Platform at San Antonio Breast Cancer Symposium.	December 2008
Surgical Interventions for BRCA Gene Mutation Carriers: Impact of Delaying Decision-Making. Ozanne EM, Cipriano L, Cameron M , Newman T, Esserman LJ. Platform at San Antonio Breast Cancer Symposium.	December 2008

Balance Problems in Multiple Sclerosis: Slowed Spinal Afferent Conduction More Likely than Cerebellar Involvement Cameron M	November 2008 May 2007
Poster at NMSS Tykeson Fellows Conference (11/08) Poster at American Academy of Neurology meeting, Boston (5/07)	
Screening for BRCA Genetic Mutations - A Policy Analysis Ozanne EM, Cipriano L, Cameron M , Newman T, Esserman LJ. Platform at Institute for Operations Research and Management Science Annual Conference	October 2004
Physical Agent Modalities Cameron M Multi-day programs of lectures and labs given throughout the US and internationally	2004 – present
Differential Diagnosis for the Physical Therapist	2004 – 2010
Therapeutic Lasers – From Science to Practice Multiple full and partial day programs of lectures and labs given throughout the US	2004 – present
Electrical Stimulation - From Science to Practice Multiple programs of lectures and labs given throughout the US and Latin America	1994 – present
Ultrasound - From Science to Practice Multiple full day programs of lectures and labs given throughout the US and Latin America	1991 – present
Modalities and Wound Healing Multiple one to two day programs of lectures and labs given throughout the US	1996 – 2010
VitalStim Courses on the use of electrical stimulation in the treatment of dysphagia	2004 – 2006
Keynote speaker – Colombian National Physical Therapy Association Meeting Physical Agents in Acute Injuries – Laser, Electrical Stimulation and Ultrasound	March 2005
Electrical Stimulation and Ultrasound – An update Two-day program for Brazilian Physical Therapists	July 2004
Keynote speaker for the North East Athletic Trainers’ Annual Meeting Physical Agents in the 21 st Century	April 2002
Electrical Stimulation and Ultrasound Update Two-day program in Spanish in Caracas, Venezuela	November 2001
Physical Agents: An Occupational Therapy Update Full day presentation at annual OTAC meeting	October 2001
Testing for Mutations in BRCA1 and BRCA2: a decision analysis Poster at Society for General Internal Medicine (SGIM)	June 2001

Superficial EMG biofeedback A 2-day program in Tel Aviv, Israel	June 2000
Electrical Stimulation for Bladder Control in Spinal Cord Injured Patients Lecture at Physical and Respiratory Rehabilitation of the Spinal Cord Patient, Valencia, Spain, given in Spanish	April 2000
Electrical Stimulation for Wound Management in Spinal Cord Injured Patients Lecture at Physical and Respiratory Rehabilitation of the Spinal Cord Patient, Valencia, Spain, given in Spanish	April 2000
Efficacy of Pulsed Low Intensity Ultrasound for Acceleration of Wound Healing of a Stage III Pressure Ulcer in a Geriatric Patient. American Physical Therapy Association national meeting. (Poster)	June 1999
Advances in Ultrasound and Biofeedback Lecture at the 13 th National Physical Therapy Congress, in Chile, given in Spanish	May 1999
Electrical Conductance of Wound Dressings Used in the Treatment of Full Thickness Wounds Society for Physical Regulation in Biology and Medicine	November 1998
Electrical Stimulation, Ultrasound and Biofeedback Five days of teaching at multiple sites, Buenos Aires, Argentina, given in Spanish	August 1998
Ultrasound Update One-and-a-half day lecture and practical lab given in Spanish for the Latin American sales meeting for Chattanooga Group, Inc, in Cartagena, Colombia.	May 1998
Technological Advances in Rehabilitation Lecture and equipment demonstration at the Venezuelan Annual Physical Medicine Conference, Caracas, Venezuela	August 1997
Physical Agents for the Neurologically Involved Patient Lecture as a component of the physical therapy neurology clinical specialist review course	1996 & 1997
Ultrasound and Phonophoresis Wyoming APTA annual meeting	1994
What's Happening in Ultrasound California APTA annual meeting	1993
Exercise During High Risk Pregnancy Presented as a poster at the California APTA meeting	1991
Ultrasound Transmission by Phonophoresis Media Presented at the World Congress for Physical Therapy meeting in London, England Presented at the American Physical Therapy Association national meeting	1991 1990

CONSULTING

Multiple sclerosis – medical and rehabilitation interventions, patient reported outcomes
Medical devices – electrotherapy, ultrasound and laser, robotic exoskeletons

Clinical cannabis – evidence based clinical impacts with a focus on multiple sclerosis

Expert witness for physical therapy and neurology cases – plaintiff, defense, intellectual property

Physical therapy consultant – Joan of Arcadia television series
